

The Centre for Palliative Care Research and Education
is pleased to present a one day symposium

Oncology Update Symposium

for Health Professionals in Palliative Care

Friday 23rd March 2018

Education Centre, Royal Brisbane & Women's Hospital

The day will offer a series of presentations on new developments and evidence relevant to care of people with malignant disease. With the aim of delivering practical information and management options, the day will provide clinicians opportunity to update and confirm knowledge for practice.

- * It will be particularly relevant for doctors in general practice and in hospitals
- * It aims to provide information and options for clinicians
- * The day will be relevant to Registered Nurses and Allied Health Professionals

See attached program for details

**Want to attend a session but not the whole day?
